WHAT TO FILE

An club must file the below-listed materials with the Minnesota Attorney General's Office when renewing its registration. The materials that must be filed will vary depending on whether or not the club receives prepayments from members. Minn. Stat. § 325G.27.

All Clubs. All clubs must file the following materials when annually renewing their registration:

- ☐ Club Registration Renewal form.
- ☐ \$150 renewal fee.
- ☐ An exemplar copy of each version of all contracts, membership applications, membership agreements, terms of service, or other documents that the club enters into with members, or that govern the club's relationship with its members.

Additional Materials for Clubs Receiving Prepayments. Clubs requiring or otherwise receiving prepayments from members of more than \$50 should also file the following materials:

 - The statement must be executed under oath by two officers of the club.
 - The statement must describe the club's total outstanding liabilities to members.

 - The surety bond must be for an amount that equals the total outstanding liabilities of the club to its members, with a cap of \$200,000.
 - If certain conditions are met, clubs can provide alternative types of financial security other than a surety bond, in which case they must complete the form "Club Statement of Alternative Form of Security" made available by the Office.

Additional Materials for Clubs Not Receiving Prepayments. Clubs that do not require or otherwise receive prepayments from members of more than \$50 should also file the following materials:

A club must include a \$150 renewal fee by check and include the check with these materials.

PLEASE NOTE

Registration statements and annual reports that fail to include the appropriate attachments or the correct fee will be considered deficient. Deficient registration statements and annual reports will not be effective until all materials are received by the Minnesota Attorney General's Office.

Minnesota law gives club members the right to cancel their membership agreement up to midnight of the third business day after signing the agreement. Minnesota law also requires clubs to issue to anyone who cancels their membership a full refund with ten days of cancellation. Minn. Stat. § 325G.24.

Clubs' membership agreements must clearly and conspicuously notify members of their cancellation and refund rights under Minnesota law in the text of the agreement. Minn. Stat. § 325G.25.

Minnesota law generally prohibits club membership agreements of more than 18 months. Minn. Stat. § 325G.26.
