Subject: FC's and Past Disposal Sites

Mike has asked me to schedule a very brief meeting this Wednesday afternoon to discuss FC's and the ongoing SMD remediation projects. Could you let me know what your availability is ASAP. It is likely that everyone will not be able to attend but we are hoping to get a quorum from the Remediation group. Thanks.

Facilities

- 1) Disclosure requirements?
- 2) What pollutants?
- 3) Emphasis of sampling?
- 4) legal instruments => CAD/statisticians

Feedback from BHS+R group => what to look for.
strategy => OUS model
